To

C.S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to Government,

B A N G A L O R E.

S i r,

I beg, respectfully to submit that as you are aware, the Headquarters Establishment consists of a staff of one medical officer and one sub-assistant surgeon. From the 10th December 1918, Mr. B. Nanjappa, the medical officer, has been on special duty with Sirdar M. Kantharaj Urs, and as the result, almost all the work, which had devolved on two of us, has fallen entirely -- upon me.

It may be submitted that my ordinary duties as a sub-assistant surgeon of the Head-quarters Establishment necessitate my attendance on the Dewan Saheb and almost all the Secretariat Officers down to the menials, of the secretariat establishments. Much of my morning hours are spent in going my rounds, and also some portions of the evenings. In serious or complicated cases of ill-ness, longer hours and more frequent visits, including work at nights, becomes indispensable.

In addition to this executive work which involves the daily rounds of some 18 to 20 miles, I have to attend office - between 3 and 6, dispense medicines to out-patients, attend to - correspondence work, and many a day, after closing the day's - work, I have on the Registrar's requisition also had to visit the houses of peons or clerks, living at distant places and -- even at Hulsur, to certify to their ill-ness or treat them.

Being thus occupied the whole day, very little time is left for me to draw up the prescribed registers and prepare the monthly and other returns and for this I am obliged to devote a

a portion of the night or early morning at home.

Further, when the medical officer goes to Mysore for the Birthday or Dasara or on tour with the Dewan, or takes - leave, the whole of the burden likewise falls on me.

I may humbly submit that since the 10th December 1918 up to the 26th of March 1919, I was also deputed for work at - Sirdar M. Kanthraj Urs' residence in addition to my legitimate duties. I had to go to the bungalow for special work generally at 9 P.M., spend the night on duty and stay there till about 10 A.M. or 12 noon of the next morning and then get back for - any other duties.

From the above facts, it will be seen how hard worked I am, but what is distressing is that I am obliged to journey between 18 to 20 miles a day, on my cycle; many a time have I to go to the residence of officers in the evenings or nights.

Unlike the medical officer, I get no carriage allowance, nor have I any facilities for taking up private practice to make up any money. In truth, the nature of my work pre-- vents me from taking any such work.

I feel it very irksome and difficult to go on cycle for hours in these hot days at a stretch and in consideration of - the special features of my position and work, and in the interests of my health, I pray that I may be allowed as a special case, a conveyance allowance of Rs.40/- per mensem as a permanent arrangement and should Government deem my prayer reasonable with effect from the 10th December 1918. The cost of - living in Bangalore is growing very expensive and any sum less than Rs.40/- would not meet requirements and hence, I venture to beg that this consideration may be shown to me.

For which act of kindness, I shall feel grateful.

I

I beg to remain,

S i r,

Your most obedient and humble servant,

B. Annappa
